

MORNINGTHORPE & FRITTON PARISH

Notes on Annual Parish Meeting

held on 13 May 2025

at Friars Farm Barn, Morningthorpe

In attendance: Cllr Will Sargent chaired the meeting, which was attended by 25 members of the public including four parish councillors.

The main part of the meeting consisted of a detailed PowerPoint presentation given by a representative of the Block East Pye Action Group. It focused on facts and figures relating to the various proposals for solar farms in this area, with particular attention on the East Pye proposal which will have a direct impact on residents of this parish.

The presentation was followed by a Q&A session which highlighted the fact that not all the residents present accepted the data which had been presented. There was robust discussion both for and against the East Pye proposal, and for and against the way in which the data had been presented.

The chair closed the meeting to make way for the Annual Meeting of the Parish Council.
