

*Report as given by Chairman Mr P Rodger to the **Annual Parish Meeting**. 12<sup>th</sup> May 2015*

Good evening everyone to Morningthorpe and Fritton Parish Meeting,

It falls to me, the Chairman, to give a report on last year.

Our grit bin placed at Fritton crossroads was stolen again – either someone does not agree with us providing salt at the junction or they are very desperate for a plastic bin.

Last year we organised a litter pick and received £220 from S.N.C which we used towards the cost of the new seat near the Post Box on the common. Many thanks to David Sargent for assembling and fixing the seat to the ground.

We had hoped to organise events for the WW1 celebrations. These did not materialise and a few daffodils were planted instead of the proposed poppies.

We have been, and will for a while be dealing with the Long Stratton Bypass and proposed housing matter.

I would like to thank all the Councillors and the Clerk for their continued enthusiasm and support over the last year.

Ernie Oxe has retired as a Parish Councillor and I thank him for his reliable and keen support for the Parish and wish him well in the future.
