

Dear All,

I sent a message to you at the beginning of August, but optimistically thought it might not be too big to make it through your various IT systems...

However, I think I was wrong about this and so I am re-sending the message, with a link to the document that I had previously attached:

[http://www.south-norfolk.gov.uk/planning/media/Norfolk\\_Land\\_Norfolk\\_Homes\\_Statement\\_on\\_Long\\_Stratton AAP Matter 2 4 and 7.pdf](http://www.south-norfolk.gov.uk/planning/media/Norfolk_Land_Norfolk_Homes_Statement_on_Long_Stratton_AAP_Matter_2_4_and_7.pdf)

I would be interested to learn if your Councils have any views that they would like to take back to South Norfolk DC and if they wish to take any further action.

Kind regards,

Deborah
